PAYMENT OF FEES AND CHARGES

Fees and Charges are payable in full 21 days from the date on the statement or via a Direct Debit Agreement.

Our current Direct Debit provider uses the School EasyPay system. Families can sign a Direct Debit Agreement by adding a payment method in the School Fees Account section of the Parent Lounge and agreeing to the Terms and Conditions for Direct Debit. This is a secure encrypted platform for storing payment information.

Families then can create a payment schedule for the balance of their account spreading payment over weekly, fortnightly, monthly or once per term instalments. A processing charge of 0.5% for bank accounts and 1.32% for most credit cards is applicable for these direct debit arrangements.

For families paying the account in full by the due date, the following payment methods are available:

- BPay through your preferred banking provider,
- EFTPOS available through the College reception desk,
- Online card payment using the Parent Lounge.

Visa / Mastercard and AMEX are generally accepted. Any merchant fees charged to process individual payments will be passed on to parents and may be payable when a credit card payment is made over the phone or in person. Current indicative merchant fees for this service are Visa / Mastercard 1.2% and AMEX 0.95% of the transaction amount.

If an account is not paid in full by the due date, the account holder may be liable to pay an overdue charge which is reflective of the administration and financial cost to the College of the fees remaining unpaid.

Campbelltown Anglican Schools Council reserves the right to review the continuing enrolment of any student at the College if an account is unpaid by the due date and appropriate alternative arrangements have not been agreed. Amounts outstanding remain payable and Campbelltown Anglican Schools Council reserves the right to undertake any / all actions to collect monies owed as allowable by law.

WITHDRAWAL OF A STUDENT

Parents are required to provide at least one full term's notice in writing to the Headmaster before terminating a student's enrolment. If the required notice is not given, one term's Fees and Charges are payable in lieu of notice and it is agreed that this amount is a genuine estimate by the College of the loss it would suffer as a consequence of insufficient notice of termination of a student's enrolment.
