About your fees

Campbelltown Anglican Schools Council reserves the right to vary the fees and charges at any time by written advice.

The annual Fee is an all-inclusive fee that replaces the Tuition, Service and Capital Works Fees previously levied.

Application and Enrolment Fees are not treated as credits towards Annual Fees on commencement.

Withdrawal of a Student

Parents are required to provide at least one full term's notice in writing to the Principal of Broughton before terminating a student's enrolment. In the absence of such notice, a full term of fees will be payable.

Payment of Annual Fees

Fees and Charges are payable in full 21 days from the date on the statement or via a Direct Debit Agreement.

Our current Direct Debit provider uses the School EasyPay system. Families can sign a Direct Debit Agreement by adding a payment method in the School Fees Account section of the Parent Lounge and agreeing to the Terms and Conditions for Direct Debit. This is a secure encrypted platform for storing payment information.

Families then can create a payment schedule for the balance of their account spreading payment over weekly, fortnightly, monthly or once per term instalments. A processing charge of 0.5% for bank accounts and 1.32% for most credit cards is applicable for these direct debit arrangements.

For families paying the account in full by the due date, the following payment methods are available:

- BPay through your preferred banking provider,
- EFTPOS available through the School/College reception desk,
- Online card payment using the Parent Lounge.

Visa / Mastercard and AMEX are generally accepted. Any merchant fees charged to process individual payments will be passed on to parents and may be payable when a credit card payment is made over the phone or in person. Current indicative merchant fees for this service are Visa / Mastercard / AMEX 1.1% of the transaction amount.

If an account is not paid in full by the due date, the account holder may be liable to pay an overdue charge which is reflective of the administration and financial cost to the School/College of the fees remaining unpaid.

Campbelltown Anglican Schools Council reserves the right to review the continuing enrolment of any student at the School/College if an account is unpaid by the due date and appropriate alternative arrangements have not been agreed. Amounts outstanding remain payable and Campbelltown Anglican Schools Council reserves the right to undertake any / all actions to collect monies owed as allowable by law.

Difficulty Making Fee Payment

We understand that some families will experience short-term financial hardship. Please contact Corporate Services to discuss your situation as soon as you are aware that there may be a problem with payment of fees. All discussions regarding your financial situation are strictly confidential.
